

**SREE KRISHNA COLLEGE OF ENGINEERING  
UNAI VILLAGE-632101 ANAICUT POST  
VELLORE TALUK&DISTRICT**

**SAFETY AND SECURITY MEASURES**

1. Security Cameras

CCTV cameras are installed within and around the campus for security purpose we have the proper equipment to view various moments and back up day to day activities in the campus. This dynamic security camera system spread out help to protect both students and property round the clock.

2. Emergency Blue Light Phones

The emergency blue light phones spread out in the poor light and vulnerable areas of campus. These poles offer a quick and efficient way to call 911 and alert authorities that student are in trouble.

3. Mass Notification System

Emergency Alarms system is available in campus to indicate emergency situations also E-mail group and whats app groups are created among the department perusals to make a mass communication to students at emergency

4. Patrolling Security Guards

Escort services available to roaming around the campus around the clock.

5. Medical safety:

First aid boxes and fire extinguisher kits are kept at various places within the college campus for emergency purpose and separate vehicle is available in our campus for medical emergency situations.
